

This week we have been practising to read and spell words with the **air** and **ear** trigraphs in and the **oi** and **short oo** digraphs.

Below are a list of words that contain these letter combinations. Please ask your child to read a small selection of them each day as well as

selecting some for them to spell. Remind them to say the word and then segment it into it's individual sounds before they write it

(chip - ch - i - p).

oi

boil oil coil foil coin join

joint point boiling oink

avoid spoil ointment

ear

near fear hear ear gear

shear dear spear beard

year clear tear nearest

air

hair air chair pair fair un-
fair stair airport flair

short oo

(If the 'oo' letter combination appears before a 'd' or a 'k' in a word, then the 'oo' usually makes a short 'u' sound.)
